***Oath/Declaration***

1. The oath or declaration is defective. A new oath or declaration in compliance with 37 CFR 1.67(a) identifying this application by application number and filing date is required. See MPEP §§ 602.01 and 602.02.

The oath or declaration is defective because:

It does not identify the foreign application for patent or inventor's certificate on which priority is claimed pursuant to 37 CFR 1.55, and any foreign application having a filing date before that of the application on which priority is claimed, by specifying the application number, country, day, month and year of its filing. Specifically, No. 2002-266204 is absent.

**REASONS FOR ALLOWANCE**

2. The following is an examiner's statement of reasons for allowance: Takeshima, et al., the closest prior art of record, failed to disclose a support member provided for forming a magnetic circuit and a connecting passageway provided in said support member for circulation of coolant or through which lead wires connect superconducting coils in coil containers to each other.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Ramon M Barrera whose telephone number is
